

## Interview Consent Form

### **Study title: Men's health and well-being**

The purpose of this form is to make sure that you are happy to take part in the research and that you know what is involved.

Please confirm each statement by putting your initials in the associated box.

I have read the participant information	
I have had the opportunity to ask questions and to discuss the study	
I have received satisfactory answers to all of my questions	
I have received enough information about the study	
I understand that I am free to withdraw from the study up until the data has been submitted as a thesis or acceptance of a report for publication without having to give a reason	
I understand that I must try to gain verbal consent from any adults before taking their photograph	
I understand that I am not to photograph children but can photograph something to represent a child, such as a toy	
I understand that personally identifying details in photographs used in this study will be blurred to preserve anonymity	
I give my consent for anonymised photographs to be used in reports of the research	
I understand that I am free to end the research interview at any time and without having to give a reason	
I understand that I am free to choose not to answer a question without having to give a reason	
I agree to the interview being audio-recorded	
I grant permission for extracts from the interview to be used in reports of the research on the understanding that my anonymity will be maintained	
I agree to take part in this study
